### ***What is the Destination Jessamine Passport to Adventure Contest?***

The Passport to Adventure program is a project of Destination Jessamine, a Jessamine County Fiscal Court committee that was established to make Jessamine County a premier destination through a unified, coordinated travel promotion and development program, which will enhance the community’s quality of life and provide a positive, memorable experience for visitors.

As part of the Passport to Adventure program, more than a dozen Jessamine County restaurants, tourist attractions, bed and breakfasts and other businesses, including Camp Nelson Civil War Heritage Park, Chrisman Mill Vineyards and Winery, Solomon’s Porch, and Tickled Pink have signed on as passport destinations.

Each passport destination is contributing free merchandise and/or gift certificates that will be distributed to winners of the monthly Destination Jessamine Passport drawings.

### ***How can you qualify to win?***

**Step #1:** Stop by the Chamber office to pick up your Destination Jessamine Passport! (Don’t forget to ask us to “stamp” your passport while you’re at it!). You may also pick up your Passport at the Jessamine County Judge-Executive’s office in the County Courthouse or Wilmore City Hall. Passports are available on a “first come, first serve” basis.

**Step #2:** Visit at least 10 of the destinations listed on the passport document to get your passport stamped.

**Step #3:** Once you have 10 stamps, write their name and contact info on the passport, and drop it into one of the Passport collection boxes at the County Courthouse, Jessamine Chamber office or Wilmore City Hall.

**Drawings will be held at the Jessamine County Courthouse on the first work day of the month of July through November. Visit the Destination Jessamine Facebook page or call 859.492.3115 to find out more.
