**“Rock Fence Concert Series Presented by Kentucky Bank Begins on May 7”**

Rock Fence Concert Series Presented by Kentucky Bank, a series of five free outdoor concerts at Rock Fence Park in Jessamine County, will hold its first concert on May 7 beginning at 7:30 p.m. with The Hit Men, a 50’s, 60’s and 70’s rock and roll band, as the headliner.

Rock Fence Park is located in downtown Nicholasville, in the heart of historic Jessamine County, Kentucky (just 20 minutes from Lexington).

The concert series includes a variety of music genres including Bluegrass, Country, Pop Rock, and Classic Western Swing—all in the relaxed, down home setting of Rock Fence Park in historic downtown Nicholasville.

With the Rock Fence Concert Series, Bluegrass Arts Nicholasville/Jessamine County Parks & Recreation, Jessamine County Fiscal Court and Destination Jessamine Tourism Committee, and the City of Nicholasville offer residents and visitors the opportunity to grab a blanket or lawn chair and take a short stroll or drive to Rock Fence Park, one of the most charming and beloved parks in Jessamine County.

Rock Fence Concert Series sponsors include Kentucky Bank (title sponsor), M&M Sanitation, Toyota on Nicholasville, and Sam’s Club.

At each of the five concerts, entry tickets for the “Rock Fence Grand Finale Giveaway” will be distributed to attendees. The giveaway will include gift certificates and products from local stores, restaurants, and other establishments. As giveaway items are donated, a running tally of the items will be promoted via the Destination Jessamine Facebook page and other public relations efforts. At the end of the Series’ Grand Finale concert, a drawing will be held to determine the winner.
